It is a truth whose time has come. We are obsessed with fears of End Times. So pervasive is this religious fanaticism, the economic engines and social structures propelling our Western way of life dismantle before our eyes. There should be outraged! We are horses running into fire. Fears supporting our myths of Armageddon lay unconscious, as if covered by blinders. Sacred institutions have failed. Our culture starves for spiritual renewal. We seek another way to look at the unreality of our Apocalyptic Myth. The Celestial Speed-Up provides a guide to an end of our fears of Armageddon. With redefinition of apocalyptic terms and concepts, you are provided the first four chapters (pre-edited) of A Course in Miracles which include terms and concepts removed prior to publication. Of significance is the name and definition of an internal contact to our universal Divinity. It resides within each man, woman and child. It will suggest you create a Circle Forgiveness as a safe haven to read and study the message of A Course in Miracles.
