

Is it possible to make multimillion-dollar profits outside the United States? Can you earn that money discreetly—without intrusion from Uncle Sam? And can you protect those assets from unfair lawyers, family members, and even your spouse in the event of divorce? The answer to all these questions is Yes! The secret is to put your money to work where it will generate the largest return—in one of the worlds many offshore money havens. In this completely revised and updated edition of his runaway bestseller, leading financial expert Jerome Schneider shows exactly how you can use the same international business strategies and tactics that have earned billions for Americas most prestigious banks, corporations, and business people. He covers various ways to enter the foreign market, ranks the worlds top offshore money havens, offers tips on how to avoid the common pitfalls of international business, and tells dozens of stories about creative men and women who have easily and successfully invested abroad. Packed with hard-to-find information, The Complete Guide to Offshore Money Havens, Revised and Updated 3rd Edition spells out the latest, most comprehensive strategies for investing offshore to escape nuisance lawsuits, exorbitant taxes, and increasing invasions of privacy. Youll discover: Why it may be hazardous to your wealth to rely on the government to protect your money and assets How the offshore process works and whos already offshore Where to go, where not to go How to plan for maximum profit Eight steps to offshore success How to square past irregularities with the authorities Ways to protect your assets This is essential reading for anyone anxious to take control of his or her financial future in todays uncertain economy.
