

For over twenty years, The Educators Guide to Texas School Law has been the preeminent source for information on Texas school law for the states education community. The sixth edition is the latest in a series of revisions designed to keep the book current, comprehensive, and readable. Readers will find a number of changes in the new edition. First and foremost, the immensely important No Child Left Behind Act has been incorporated at various points in the text, particularly in discussions pertaining to accountability, assessment, and school safety. Other changes include an expanded discussion of charter schools, school uniform policies, and student drug testing programs. Employment issues are now addressed in two chapters, one dealing with contractual matters and the other with personnel management. The new edition includes all legislative developments, relevant federal and state court rulings, and Texas Commissioner of Education decisions to date. In its ten chapters, The Educators Guide discusses a myriad of topics relating to the legal structure of the Texas school system, attendance law and the instructional program, the education of children with disabilities, employment law, rights of expression and association, the role of religion, student discipline, open meetings and public records, privacy issues, student search and seizure, and legal liability of school districts and employees.

McGraw-Hill Education Preparation for the TASC Test 2nd Edition: The Official Guide to the Test (Mcgraw Hills Tasc), Discriminants, Resultants, and Multidimensional Determinants (Modern Birkhauser Classics), Leadership Philosophies and Theories in Postmodern World (Anatomy of the World of Business), The Fastest Fox, Perpetual peace a philosophical essay, Mel Bay Presents Flatpicking Collection - 20 Solos By Some of the Worlds Greatest Guitarists - 1997 Annual Edition with CD, My Mother Too?: The Slave Woman,
