

Dr. Mortimer tells Sherlock Holmes and Watson the legend about the Hound of the Baskervilles. A hundred years ago, a very large hound was seen on lonely Dartmoor, standing over the dead bodies of the evil Hugo Baskerville. Since then, the Baskerville family is haunted by a phantom beast which roams the mist-enshrouded moors around the isolated Baskerville Hall on Dartmoor. Now the hound seems to be stalking young Sir Henry, the new master of the Baskerville estate. Is this fiendish spectre the manifestation of the family curse? Or is Sir Henry the victim of a vile and scheming murderer? Only Sherlock Holmes can solve this devilish affair.
