

The Lonely Cloud is the love story of a fallen hero. Sanju is the quintessential young man, trapped within societal norms and fighting against acknowledging his emotional compulsions. Unable to break out of the clutches of his own insecurities and too weak to deny himself of his emotional needs, Sanju unwittingly commits a grave mistake. Try as he might, he just cannot shake off the demons that continue to plague him. As a marine commando, he courts death, hoping for salvation but instead finds an angel of hope. Unfortunately for Sanju, his road to redemption is short-lived as he once again finds himself accused of betrayal. Despite Sanju's best efforts to prove himself, despite his many noble actions, his reputation and character is constantly questioned. Will Sanju be able to overcome his own weaknesses and rise to become a better person? Is he the same man now that he was at the very beginning? Will Sanju find his love? Does love give you a second chance? "Human beings are nothing but nervous bundles of emotions. And love is the most powerful emotion of them all. Love has two sides but you have only one choice." -Rajan L. Narayan, author
