

Written by the blogger who was the first to report on the lobbyists who planned the Tea Parties, *A Field Guide to the Right* is a groundbreaking, comprehensive expose of the hidden plans to keep America on a rightward lurch. The book dissects the rise of "patriot" hate groups, reveals the role of New York City's most celebrated billionaire in financing the fodder for Glenn Beck and Congresswoman Michele Bachmann, and exposes how former Bush operatives and current trade association heads have cleverly adapted to crush Obama and progressive reform. For anyone interested in comprehending the new landscape of the conservative movement, here is an essential guide to the people, the money, and the strategies that make it tick.

The Complete Guide to Scrapbooking, Kepler: Hawaiian Heritage Plants (Latitude 20 Books), On the Edge of the New Century, The Great Leprechaun Chase: A St. Patricks Day Picture Book for Children about a Leprechaun chase, Out of The Mouth of Babes: Devotional Journal, The Sense of Form in Literature and Language, Chocolates Adventure, Lineages of Empire: The Historical Roots of British Imperial Thought (Proceedings of the British Academy, No. 155), Bible Stories with Prayers and Hymns (Flower Fairies), Equity Storytelling: Think - Tell - Sell: Mit der richtigen Story den Unternehmenswert erhohen (German Edition),

The Machine. A Field Guide to the Resurgent Right. Lee Fang. An expose and compendium of the right-wing forces deployed to bring down the Obama. Before Barack Obama had even taken the oath of office after his historic victory, cadres of lobbyists, political hacks, oil tycoons, and right-wing politicians met to. Before Barack Obama had even taken the oath of office after his historic victory in , cadres of lobbyists, oil tycoons, and right-wing politicians met to plan his. He dissects the dynamics of the conservative message machine, traces the money trail, and explicates how the right-wing machine has cleverly adapted to crush.
