

Richard Foreman reinvented dialogue, action, sound, stage design, and philosophical groundwork as no other stage artist in our history.â€”PEN/Laura Pels Master American Dramatist Award citation During the forty-five years Richard Foreman has been staging his wildly inventive work, he has been wrestling with the basic question of What is art? This book collects his writings on the subject, from his early manifestos through his recent transition to film, and provides a fascinating window into this singular artists mind and creative process. Richard Foreman has written, directed, and designed more than fifty of his own plays, both internationally and at his Ontological-Hysteric Theater, which he founded in 1968. He has received many OBIE awards, an NEA Lifetime Achievement Award, and a MacArthur Genius Fellowship.
