In 1884, at the age of 34, he realized he was wrong . dead wrong. In 1935, the fifth floor of the Market Street Apartments goes up in flames. In 1998, sixty-three years later, two people are murdered on the same night shortly after construction workers begin to restore the fifth floor. Evil has been working hard to gain a stronghold, and with this reconstruction, Evil has found a way to send us a message of grave importance. Its so hard to tell who is alive these days.
