

Agatha Christie was a prolific English author of crime fiction. Christies writings are so popular that they have sold over 2 billion copies worldwide and many of her works have been adapted to television and movies. The Mysterious Affair at Styles was Christies first published novel and it is known for introducing us to the character Hercule Poirot who would feature in many other books throughout the years. The action centers around a mystery involving the death of Poirots friend Emily Inglethorp.
