

From the award-winning writer of the satirical Agents Diary Blog and Sunday Times columnist, comes an all new insight in to what happens the other side of the estate agents window. Follow the colourful characters in the Secret Agents office through a poignant year of missed targets and missed opportunity and learn how the industry works from the inside. Discover what property people feel about the public and how best to make your own home changing experience a positive one. Find out how auctions work, how to avoid gazumping and gazundering and meet suspect surveyors, amorous owners and duplicitous buyers along the way. Includes the agents guide to buying and selling plus countless tips and advice, together with useful websites to help you win at the moving game. You may never look at the men and women in suits and sign-written cars the same way again. But love them or hate them you cant do without them - or this hilarious insight into the murky world of property.
