

Gloria Winslow finds herself in the path of a tornado and hurriedly gathers things to take into the small basement under her kitchen floor. After the tornado, she's trapped in the small room, her home and car totally destroyed, with only the things with her to keep her sustained. Hoping to soon be rescued, she keeps herself busy writing the erotica stories her publisher loves. Having cared for her own physical desires after an ex couldn't or wouldn't, she's mortified when a neighbor, big, tall and sexy Patrick discovers her sleeping nude, just after having taken care of her needs, the vibrator still in her. Unable to resist, he removed it, and wanted to show her what could be better. It was only after Gloria awakened that the real storm began - inside herself. Find out what happens after Patrick gives her a roof over her head and shows her what is better than a toy! Warning: Sexually explicit!
