

The Tower of Babel and the Alabaster Jar explores three extraordinarily enigmatic and intriguing aspects. The first theme is a myth about the Tower of Babel and its mysterious connection to the Jewish people. The second theme, from an unusual perspective, tackles the symbolism related to the Betania family and to the figure of Maria Magdalena, bearer of the Alabaster Jar and of the valuable perfume inside, revealing an unusual reading of the Bible and the Evangelicals. The third theme reveals the grand enigma of the canonical Evangelicals, never discovered by those who study them. La torre de Babel y la jarra de alabastro desarrolla tres vertientes extraordinariamente enigmáticas y atractivas. El primer eje lo constituye el mito de la torre de Babel y su misteriosa relación con el pueblo judío. El segundo eje aborda desde una perspectiva no habitual el simbolismo asociado a la familia de Betania y a la figura de Maria Magdalena, portadora de la jarra de alabastro y del valioso perfume en ella conservado, desvelándonos una lectura esotérica de la Biblia y de los evangelios. El tercer eje revela el gran enigma de los evangelios canónicos, nunca detectado por quienes los estudian desde posiciones.
