

How the Bible is read, i.e. what is proposed as an institutional liturgical reading by every single denomination or what is absorbed by the most influential readers of the Bible of every denomination and reemerges in their of spiritual or homiletic writings – this will be investigated by this series of studies united by the general heading Uses of the Bible. In this perspective this monograph is devoted to the Bibellese der Okumenischen Arbeitsgemeinschaft, an anthology of daily Bible passages from both Testaments, which assumed visibility and (exclusively Protestant) ecumenical form in 1938 (after a couple of decades of minor activity) and stopped in 1969 to be exclusively Protestant (but remained mainly Protestant).
