

Rhonda and Simone are two best friends strolling the streets of Washington, DC for a man to satisfy their needs. One needs love but the other needs money. As luck would have it, they meet two friends Rodney and Greg and the drama begins. Rhonda finds the love she was so desperately seeking in the arms of Rodney and Simone finds financial stability with Greg. All friends share secrets and know the real you! If they've fed you when you couldn't feed yourself, paid your bills and kept you from being evicted, does that require a loyalty that no man should be able to break? Rodney and others are convinced that Simone does not love Greg, only his money and they are out to prove it! That would be fine, if they weren't forcing Rhonda for the truth about Simone. Will she lose her relationship to keep her friends' secret or will she tell it all to keep the love she's found? What would you do?
