

Children are our most precious and valued possession. Our children need guidance, clear direction and lots of love. Parents need patience, understanding, diligence and lots of love for their children. We all want well grounded, self-sufficient and good decision making children. So tell them you care and dont assume they understand. Give them hugs and kisses. Protect them from harm and show them right from wrong. Whiney gets lots of love everyday and she wants children all over the world to have the same love and care.
