

Words From Within is a collection of poetryâ€”simple verse and some proseâ€”written over a period of forty years. It is separated into five different themes, or Words, although some could be interchanged easily and most are strongly Christian-oriented in their subject matterâ€”to both challenge and inspire. The most gracious comments one could receive about the early poems came from Rosa Zagnoni Marinoni, the Poet Laureate of Arkansas, who wrote, â€œyour poetry has gentleness and strength! it is most sincere and heart-felt,â€• and a young lady who said, â€œyou seem to be able to say what men since Adam have been trying to say in a manner in which changing the poem would destroy it.â€• Different personal moods and thoughts are expressed as they evolved throughout the years, so a wide range of feelings is touched upon here. Hopefully one will touch you.
