

Why do we we have to be told about money in Church when all we come for is God and His holiness? If God is our Provider, why do we have to give back to Him? Is God interested in quantities or percentages? Is He concerned about the quality of what we give? If there is any link between worshipping God and giving offerings in Church, why do we only see mortal men and women receiving our offerings every time we give? It is true that some teachings about tithes and offerings have been twisted out of their scriptural context causing many to wince with pain whenever money is mentioned in Church yet we still need to honour God with our resources. God looks at the heart (1 Samuel 16:7). However, He can not touch our hearts until He touches our treasures. For where your treasure is, there will your heart be also - Matthew 6:21. This book answers many controversial questions about resources in the body of Christ today. It is a MUST READ for all those who care to know the truth of God concerning the treasures in our custody.
