

Man can decree a thing and it will come to pass. In the beginning was the unconditioned awareness of being; and the unconditioned awareness of being became conditioned by imagining itself to be something, and the unconditioned awareness of being became that which it had imagined itself to be; so did creation begin. Stand still in the psychological state defined as your objective until you feel the thrill of Victory, Then, with confidence born of the knowledge of this law, watch the physical realization of your objective. Neville Goddard was an influential New Thought teacher and an early proponent of the Law of Attraction through his belief that one could create ones physical reality through imagining.
